

2560 Coconut Drive

Step into this most unique Santiva home within a stones throw to one of the most beautiful stretches of beach in the world with awe inspiring sunsets year around. This St. Cyr masterpiece offers 4 levels of island living with a European touch and creative use of many natural elements including rare Pecky Cypress, Bamboo, Indonesian hand carved window coverings, Chicago Brick, marble and granite. Outside offers ideal privacy with specimen plantings from around the globe and there is room for a pool. Beautiful views across Sunset Bay to Captiva and the Gulf of Mexico beyond from the upper levels.

Offered at \$799,000
