

# White Caps South Unit 2

Quaint beachfront cottage with an olde Sanibel feel. This duplex offers a beautiful beachfront setting and spectacular sunsets year round. Thoroughly updated with a tropical West Indies flair and offers an open floor plan that lends itself to entertaining and relaxing. Updates include new roof, new gourmet kitchen, Plantation shutters, neutral toned bath, and an enclosed lanai. A most unique beachfront offering in a low density complex that feels more like a single family home than a condo. Offered at \$599,000
